**NOTICE OF UNOPPOSED MOTION  
FOR APPROVAL OF DISTRIBUTION PLAN**

**TO: ALL PARTIES AND THEIR ATTORNEYS OF RECORD**

PLEASE TAKE NOTICE that in accordance with Federal Rule of Civil Procedure 23(e) and this Court’s Order Granting Final Approval of Class Action Settlement and Plan of Allocation, and Granting Attorney’s Fees and Litigation Expenses (Dkt. No. 421), Lead Plaintiff, SEB Investment Management AB (“SEB” or “Lead Plaintiff”), on behalf of itself and the Class, will and does hereby move this Court for entry of the accompanying [Proposed] Order Approving Distribution Plan (“Class Distribution Order”) that will, among other things: (i) approve the administrative determinations of A.B. Data accepting and rejecting Claims submitted in connection with the Settlement reached in the above-captioned Action; (ii) direct the distribution of the Net Settlement Fund to Claimants whose Claims are accepted by A.B. Data as valid and approved by the Court (“Authorized Claimants”); (iii) direct that distribution checks state that the check must be cashed within 90 days after the issue date; (iv) direct that Authorized Claimants will forfeit all recovery from the Settlement if they fail to cash their distribution checks in a timely manner; (v) approve the recommended plan for any funds remaining after the distribution; (vi) approve A.B. Data’s fees and expenses incurred and estimated to be incurred in the administration of the Settlement; (vii) release claims related to the administration process; and (viii) authorize the destruction of Claim Forms and supporting documents at an appropriate time.<sup>1</sup>

Pursuant to Civil Local Rule 7-2, the motion is noticed for a hearing on August 25, 2022—but the motion is unopposed and the Parties agree that it may be decided on the papers at this time, should the Court so desire.

This motion is supported by the below memorandum of points and authorities, the attached Declaration of Eric J. Miller (“Miller Declaration”) submitted on behalf of the Court-approved Claims Administrator, A.B. Data, Ltd.’s Class Action Administration Company (“A.B. Data”), and

---

<sup>1</sup> Unless otherwise indicated, all terms with initial capitalization shall have the meanings ascribed to them in the Miller Declaration or the Stipulation and Agreement of Settlement dated as of June 8, 2021 (Dkt. No. 394-1) (“Stipulation”). The Settlement is contained in the Stipulation.

1 its exhibits, the previous filings and orders in this case, and such other materials as the Court may  
2 consider.

3 **STATEMENT OF ISSUES TO BE DECIDED**

4 1. Whether the Court should enter the proposed Class Distribution Order, which will,  
5 among other things, approve the Claims Administrator's administrative determinations accepting  
6 and rejecting Claims submitted in connection with the Settlement, direct the distribution of the Net  
7 Settlement Fund to eligible Claimants, approve the recommended plan for any funds remaining  
8 after the distribution, and approve the Claims Administrator's fees and expenses.

9 **MEMORANDUM OF POINTS AND AUTHORITIES**

10 **I. GENERAL BACKGROUND**

11 As the Court is aware, this Action was settled for \$70 million in cash. On February 10,  
12 2022, the Court granted final approval in its Order Granting Final Approval of Class Action  
13 Settlement and Plan of Allocation, and Granting Attorney's Fees and Litigation Expenses (Dkt.  
14 No. 421). The Effective Date of the Settlement has occurred. *See* Stipulation ¶ 34. Accordingly, the  
15 Net Settlement Fund may be distributed to Authorized Claimants. In accordance with paragraph 27  
16 of the Stipulation, Lead Plaintiff respectfully requests that the Court enter the Class Distribution  
17 Order approving the Distribution Plan.

18 In accordance with the Court's Order Preliminarily Approving Settlement and Providing  
19 for Notice (Dkt. No. 411) ("Preliminary Approval Order"), A.B. Data mailed the Notice of (I)  
20 Proposed Settlement and Plan of Allocation; (II) Settlement Fairness Hearing; and (III) Motion for  
21 Attorneys' Fees and Litigation Expenses ("Settlement Notice") and the Proof of Claim and Release  
22 Form ("Claim Form" and, collectively with the Settlement Notice, the "Settlement Notice Packet")  
23 to potential Class Members, brokers, and other nominees. Miller Decl. ¶ 2. A.B. Data has  
24 disseminated 169,604 Settlement Notice Packets to potential Class Members, brokers, and  
25 nominees. *Id.* ¶ 5. The Settlement Notice informed Class Members that if they wished to be  
26 eligible to participate in the distribution of the Net Settlement Fund, they were required to submit a  
27 properly executed Claim Form received or postmarked no later than March 10, 2022. *Id.* ¶ 8.

1 **II. CLAIMS ADMINISTRATION**

2 As set forth in the Miller Declaration, through July 11, 2022, A.B. Data received and  
3 processed 81,437 Claims. Miller Decl. ¶ 8. As discussed below, the Claims received represent 96%  
4 of the total number of allegedly damaged Symantec shares and 95% of the maximum damages for  
5 the Class, as estimated by Lead Plaintiff's damages expert in connection with the full damages  
6 study he submitted in the litigation. Miller Decl. ¶¶ 35-36.

7 A.B. Data has fully processed all Claims received through July 11, 2022, in accordance  
8 with the Stipulation and the Court-approved Plan of Allocation included in the Settlement Notice  
9 (*see id.*) and has worked with Claimants to help them perfect their Claims. *See id.* ¶¶ 20-29. Many  
10 of the Claims were initially deficient or ineligible for one or more reasons, including being  
11 incomplete, not signed, not properly documented, or otherwise deficient, which required  
12 substantial follow-up work by A.B. Data. *Id.* ¶¶ 20, 23.

13 If A.B. Data determined a Claim to be defective or ineligible, A.B. Data sent a letter (if the  
14 Claimant or filer filed a paper Claim) or an email (if the Claimant or filer filed an Electronic  
15 Claim) to the Claimant or filer, as applicable, describing the defect(s) or condition(s) of  
16 ineligibility in the Claim and the steps necessary to cure any curable defect(s) in the Claim  
17 ("Deficiency Notices"). *Id.* ¶¶ 21, 23. The Deficiency Notices advised the Claimant or filer that the  
18 appropriate information or documentary evidence to complete the Claim had to be sent within 20  
19 days from the date of the Deficiency Notice or A.B. Data would recommend the Claim for  
20 rejection to the extent that the deficiency or condition of ineligibility was not cured. *Id.* ¶¶ 21, 24.  
21 Examples of the Deficiency Notices are attached as Exhibits A, B, and C to the Miller Declaration.

22 Of the 81,437 Claims that are the subject of this motion, A.B. Data has determined that  
23 30,535 Claims are acceptable in whole or in part, and that 50,902 Claims should be rejected  
24 because they are ineligible for payment from the Net Settlement Fund. Miller Decl. ¶¶ 34-38.  
25 Lead Plaintiff respectfully requests that the Court approve A.B. Data's administrative  
26 determinations accepting and rejecting Claims as stated in the Miller Declaration.

1           **A.     No Disputed Claims**

2           A.B. Data carefully reviewed Claimants' and filers' responses to the Deficiency Notices  
3 and worked with them to resolve deficiencies where possible. *Id.* ¶¶ 22, 27. Consistent with  
4 paragraph 25(e) of the Stipulation, the Deficiency Notices specifically advised Claimants and filers  
5 of their right, within 20 days after the mailing or emailing of the Deficiency Notice, to contest the  
6 rejection of the Claim and request Court review of A.B. Data's administrative determination of the  
7 Claim. *Id.* ¶¶ 21, 24, and Exhibits A and B.

8           With respect to the fully processed Claims, A.B. Data received five (5) requests for Court  
9 review of its administrative determinations. To resolve these disputes without necessitating the  
10 Court's intervention, A.B. Data contacted the Claimants requesting Court review in an attempt to  
11 answer all questions; fully explain A.B. Data's administrative determination of the Claim's status;  
12 and, where applicable, facilitate the submission of missing information or documentation. *Id.* ¶ 28.  
13 As a result of these efforts, these five Claimants withdrew their requests for Court review. *Id.*  
14 Accordingly, there are no outstanding requests for Court review by any Claimants. *Id.*

15           **B.     Late Claims and Final Cut-Off Date**

16           The 81,437 Claims received through July 11, 2022, include 28,698 Claims that were  
17 postmarked or received after March 10, 2022, the Court-approved Claim submission deadline. *Id.*  
18 ¶¶ 30, 36. Those late Claims have been fully processed, and 13,224 of them are, but for their late  
19 submission, otherwise eligible to participate in the Settlement. *Id.* Although these 13,224 Claims  
20 were late, they were received while the processing of timely Claims was ongoing. *Id.* Due to the  
21 amount of time needed to process the timely Claims received, the processing of these late Claims  
22 did not delay the completion of the Claims administration process or the distribution of the Net  
23 Settlement Fund. *Id.* The Court has discretion to accept Claims received after the Claim  
24 submission deadline. *See* Settlement Notice ¶ 51; *see also* Preliminary Approval Order ¶ 7. Lead  
25 Plaintiff respectfully submits that, when the equities are balanced, it would be unfair to prevent an  
26 otherwise eligible Claim from participating in the distribution of the Net Settlement Fund solely  
27

1 because it was received after the Court-approved Claim submission deadline if it were submitted  
2 while timely Claims were still being processed.

3 To facilitate the efficient distribution of the Net Settlement Fund, however, there must be a  
4 final cut-off date after which no other Claims may be accepted. Accordingly, Lead Plaintiff  
5 respectfully requests that the Court order that any new Claims and any adjustments to previously  
6 filed Claims that would result in an increased Recognized Claim received after July 11, 2022, be  
7 barred, subject to the provisions of paragraph 42(f) of the Miller Declaration. Paragraph 42(f)  
8 applies to any Claims received or modified after July 11, 2022, that would have been eligible for  
9 payment or additional payment under the Court-approved Plan of Allocation if timely received. At  
10 the time when Lead Counsel, in consultation with A.B. Data, determines that an additional  
11 distribution is not cost-effective as provided in paragraph 42(e) of the Miller Declaration, the post-  
12 July 11, 2022 Claimants, after payment of fees and expenses as provided in paragraph 42(f) of the  
13 Miller Declaration, and at the discretion of Lead Counsel and to the extent possible, may be paid  
14 their distribution amounts or additional distribution amounts on a *pro rata* basis that would bring  
15 them into parity with other Authorized Claimants who have cashed all their prior distribution  
16 checks.

### 17 **III. FEES AND EXPENSES OF CLAIMS ADMINISTRATOR**

18 In accordance with A.B. Data's agreement with Lead Counsel to act as the Claims  
19 Administrator for the Settlement, A.B. Data was responsible for, among other things,  
20 disseminating notice of the Settlement to the Class, creating and maintaining a website and toll-  
21 free telephone helpline, processing Claims, and allocating and distributing the Net Settlement Fund  
22 to Authorized Claimants. Miller Decl. ¶ 3. A.B. Data's fees and expenses for its work performed  
23 through June 30, 2022, are \$639,744.46, which includes \$110,487.35 in expenses incurred in  
24 disseminating the Original Class Notice. *Id.* ¶ 40. The remaining \$529,257.11 in fees and expenses  
25 relates to the mailing of the Settlement Notice and Claim Form, the publication of the Summary  
26 Settlement Notice, and the Settlement administration process. A.B. Data estimates its fees and  
27 expenses for work to be performed on behalf of the Class in connection with the Initial  
28

1 Distribution will be \$14,871.50. *Id.*<sup>2</sup> To date, A.B. Data has received no payment for these fees and  
 2 expenses. *Id.* Accordingly, there is an outstanding balance of \$654,615.96 payable to A.B. Data,  
 3 which amount includes the estimated fees and expenses to be incurred by A.B. Data in connection  
 4 with the Initial Distribution.<sup>3</sup>

5 The total amount sought by A.B. Data for Notice and Administration Costs, \$654,615.96, is  
 6 higher than the \$415,000 total that A.B. Data originally estimated in July 2021 (*see* Dkt. No.  
 7 393-3) and is the result of substantially more claims being filed than A.B. Data projected. A.B.  
 8 Data's original estimate was based on the assumption that it would receive approximately 32,600  
 9 claims, based on an anticipated 20% claim filing rate, which is typical in cases of this nature.  
 10 However, A.B. Data, in fact, received over 81,000 claims, which is nearly 50,000 more claims than  
 11 originally anticipated (or 250% of A.B. Data's original estimate). The substantially larger number  
 12 of claims received increased A.B. Data's total fees and expenses due to A.B. Data's per-claim  
 13 processing fee and increases in various other costs that rise in proportion to the number of claims  
 14 received.

15 The greater-than-expected number of Claims received reflects the robust participation of  
 16 the Class in the Settlement. Here, the eligible Claims received represent a total of 339,760,531  
 17 allegedly damaged Symantec shares (Miller Decl. ¶¶ 35-36), which represents 96% of the total  
 18 number of allegedly damaged Symantec shares as estimated by Lead Plaintiff's damages expert.  
 19 Similarly, the claims received have total Recognized Claims (as calculated under the Plan of  
 20 Allocation) of \$957,773,286.70, representing approximately 95% of Lead Plaintiff's damages  
 21 expert's estimate of maximum damages for the Class. *Id.* Both the estimated number of damaged  
 22 shares and estimated maximum damages are based on Lead Plaintiff's damages expert's analyses

23 \_\_\_\_\_  
 24 <sup>2</sup> Should this estimate of fees and expenses to conduct the Initial Distribution of the Net  
 25 Settlement Fund exceed the actual cost, the excess will be returned to the Net Settlement Fund  
 26 and will be available for subsequent distribution to Authorized Claimants. *Id.*

27 <sup>3</sup> The amount requested for payment does not include any of A.B. Data's fees and expenses  
 28 incurred in connection with the dissemination of the Supplemental Class Notice, which amounts  
 have already been paid directly by Lead Counsel (not from the Settlement Fund).

1 conducted in connection with preparing the full damages study submitted in the litigation and were  
2 the same analyses used in preparing the Plan of Allocation formula.

3 Lead Counsel has reviewed A.B. Data's invoices and believes that the fees and expenses  
4 requested are reasonable in light of the work performed and the substantially greater number of  
5 Claims received than had previously been estimated. Accordingly, Lead Counsel respectfully  
6 requests, on behalf of Lead Plaintiff, that the Court approve payment of all of A.B. Data's fees and  
7 expenses.

#### 8 **IV. DISTRIBUTION PLAN FOR THE NET SETTLEMENT FUND**

##### 9 **A. Initial Distribution of the Net Settlement Fund**

10 Under the proposed Distribution Plan, A.B. Data will distribute 100% of the Net Settlement  
11 Fund, after deducting: (i) all payments previously allowed, (ii) payments approved by the Court on  
12 this motion, and (iii) any estimated taxes, the costs of preparing appropriate tax returns, and any  
13 escrow fees (*i.e.*, the Initial Distribution). *See* Miller Decl. ¶ 42(a). To conduct the Initial  
14 Distribution, A.B. Data will first determine each Authorized Claimant's *pro rata* share of the total  
15 Net Settlement Fund based on the Claimant's Recognized Claim in comparison to the total  
16 Recognized Claims of all Authorized Claimants. *Id.* ¶ 42(a)(1). A.B. Data will eliminate from the  
17 Initial Distribution any Authorized Claimant whose *pro rata* share calculates to less than \$10.00,  
18 as these Claimants will not receive any payment from the Net Settlement Fund and will be so  
19 notified by A.B. Data. *Id.* ¶ 42(a)(2). A.B. Data will then recalculate the *pro rata* share of the Net  
20 Settlement Fund for Authorized Claimants who would have received \$10.00 or more based on the  
21 amount of the Authorized Claimant's Recognized Claim in comparison to the total Recognized  
22 Claims of all Authorized Claimants who would have received \$10.00 or more (the "Distribution  
23 Amount") and issue payments. *Id.* ¶ 42(a)(3).

24 To encourage Authorized Claimants to cash their checks promptly, Lead Plaintiff proposes  
25 that all distribution checks bear the notation, "CASH PROMPTLY. VOID AND SUBJECT TO  
26 REDISTRIBUTION IF NOT CASHED BY [DATE 90 DAYS AFTER ISSUE DATE]." *Id.*  
27 ¶ 42(b). Authorized Claimants who do not cash their checks within the time allotted or on the  
28

1 conditions stated in paragraph 42(b) of the Miller Declaration will irrevocably forfeit all recovery  
2 from the Settlement, and the funds allocated to these stale-dated checks will be available to be  
3 redistributed to other Authorized Claimants in a subsequent distribution, as described below. *Id.*  
4 ¶ 42(c).

5 **B. Additional Distribution(s) of the Net Settlement Fund**

6 After A.B. Data has made reasonable and diligent efforts to have Authorized Claimants  
7 cash their Initial Distribution checks, but not earlier than seven (7) months after the Initial  
8 Distribution, A.B. Data will, if Lead Counsel, in consultation with A.B. Data, determines that it is  
9 cost-effective to do so, conduct the Second Distribution of the Net Settlement Fund. *Id.* ¶ 42(d). In  
10 the Second Distribution, any amount remaining in the Net Settlement Fund, after deducting any  
11 unpaid fees and expenses incurred, will be distributed to all Authorized Claimants who cashed  
12 their Initial Distribution checks and would receive at least \$10.00 from the Second Distribution  
13 based on their *pro rata* share of the remaining funds. *Id.* After the Second Distribution, if any  
14 funds remain in the Net Settlement Fund and if cost-effective, subsequent distributions will take  
15 place at six-month intervals. *Id.* When Lead Counsel, in consultation with A.B. Data, determines  
16 that further distribution is not cost-effective, if sufficient funds remain to warrant the processing of  
17 Claims received after July 11, 2022, A.B. Data will process those Claims. *Id.* ¶ 42(e). Any of these  
18 Claims that are otherwise valid, as well as any earlier received Claims for which an upward  
19 adjustment was received after July 11, 2022, may be paid in accordance with paragraph 42(f) of  
20 the Miller Declaration. *Id.*

21 As provided in the Court-approved Plan of Allocation, any funds remaining in the Net  
22 Settlement Fund, after payment of those Claims received after July 11, 2022, and unpaid fees or  
23 expenses, will be contributed to the Investor Protection Trust (“IPT”), a non-sectarian, not-for-  
24 profit 501(c)(3) organization that provides investor education and protection programs. *See*  
25 Settlement Notice ¶ 73 (Dkt. No. 415-2, at 22).

1 **V. RELEASE OF CLAIMS**

2 In order to allow the full and final distribution of the Net Settlement Fund, it is necessary to  
3 (i) bar any further claims against the Net Settlement Fund beyond the amounts allocated to  
4 Authorized Claimants, and (ii) provide that all persons involved in any aspect of Claims processing  
5 or who are involved in the administration or taxation of the Settlement Fund or the Net Settlement  
6 Fund, be released and discharged from all claims arising out of that involvement. *See* Stipulation  
7 ¶ 29. Accordingly, Lead Plaintiff respectfully requests that the Court release and discharge all  
8 persons involved in the review, verification, calculation, tabulation, or any other aspect of the  
9 processing of the Claims submitted in connection with the Settlement, or who are otherwise  
10 involved in the administration or taxation of the Settlement Fund or the Net Settlement Fund from  
11 all claims arising out of that involvement, and bar all Class Members and other Claimants, whether  
12 or not they receive payment from the Net Settlement Fund, from making any further claims against  
13 the Net Settlement Fund, Lead Plaintiff, Lead Counsel, the Claims Administrator, the Escrow  
14 Agent or any other agent retained by Lead Plaintiff or Lead Counsel in connection with the  
15 administration or taxation of the Settlement Fund or the Net Settlement Fund, or any other person  
16 released under the Settlement beyond the amounts allocated to Authorized Claimants.

17 Courts have repeatedly approved similar releases in connection with the distribution of  
18 settlement proceeds. *See, e.g., In re Diamond Foods, Inc., Sec. Litig.*, No. 3:11-cv-05386, Order at  
19 4 (N.D. Cal. Oct. 16, 2014), ECF No. 338 (Alsup, J.) (“[A]ll persons involved in the review,  
20 verification, calculation, tabulation, or any other aspect of the processing of the claims submitted  
21 herein, or otherwise involved in the administration or taxation of the Settlement Fund or the Net  
22 Settlement Fund are released and discharged from all claims arising out of such involvement, and  
23 all Class Members, whether or not they are to receive payment from the Net Settlement Fund, are  
24 barred from making any further claim against the Net Settlement Fund or the released persons  
25 beyond the amount allocated to them pursuant to this Order.”); *In re OCZ Tech. Group, Inc. Sec.*  
26 *Litig.*, No. 3:12-CV-05265-RS, 2016 WL 7974652, at \*2 (N.D. Cal. Mar. 11, 2016) (approving  
27 substantially similar language in the order authorizing distribution of settlement proceeds); *In re*

1 *Nuvelo, Inc. Sec. Litig.*, No. 07-CV-04056-CRB, 2012 WL 12920613, at \*2 (N.D. Cal. July 16,  
2 2012) (same); *In re Capstone Turbine Corp. Sec. Litig.*, No. CV 15-8914-DMG (RAOx), 2020 WL  
3 7889062, at \*2 (C.D. Cal. Aug. 26, 2020) (same).

4 **VI. CONCLUSION**

5 For the foregoing reasons, Lead Plaintiff respectfully requests that the Court grant its  
6 Unopposed Motion for Approval of Distribution Plan and enter the [Proposed] Order Approving  
7 Distribution Plan.

8 Dated: July 19, 2022

v.

SYMANTEC CORPORATION and  
GREGORY S. CLARK,

Defendants.

Case No. 3:18-cv-02902-WHA

ECF CASE

**DECLARATION OF ERIC J.  
MILLER IN SUPPORT OF LEAD  
PLAINTIFF'S UNOPPOSED  
MOTION FOR APPROVAL OF  
DISTRIBUTION PLAN**

Dept.: Courtroom 12, 19th Floor  
Judge: Honorable William Alsup

1 I, Eric J. Miller, hereby declare and state as follows:

2 1. I am Senior Vice President of A.B. Data, Ltd.’s Class Action Administration  
3 Company (“A.B. Data”), which has its corporate office in Milwaukee, Wisconsin. I am over 21  
4 years of age and am not a party to the above-captioned class action (the “Action”).<sup>1</sup> I have personal  
5 knowledge of the facts set forth in this declaration and, if called as a witness, could and would  
6 testify competently thereto.

7 2. Pursuant to the Court’s Orders dated May 29, 2020, and April 24, 2021 (Dkt. Nos.  
8 243, 386), A.B. Data was authorized to act as Notice Administrator in the Action in connection  
9 with the dissemination of the Original Class Notice in the summer of 2020 and the Supplemental  
10 Class Notice in the spring of 2021.

11 3. Pursuant to the Court’s September 16, 2021 Order Preliminarily Approving  
12 Settlement and Providing for Notice (Dkt. No. 411) (“Preliminary Approval Order”), A.B. Data  
13 was authorized to serve as the Claims Administrator in connection with the Settlement of the  
14 Action. As Claims Administrator, A.B. Data has, among other things: (i) mailed the Notice of (I)  
15 Proposed Settlement and Plan of Allocation; (II) Settlement Fairness Hearing; and (III) Motion for  
16 Attorneys’ Fees and Litigation Expenses (“Settlement Notice”) and the Proof of Claim and Release  
17 Form (“Claim Form” and together with the Settlement Notice the “Settlement Notice Packet”) to  
18 potential Class Members, brokers, and other nominees; (ii) updated and maintained a toll-free  
19 telephone helpline for inquiries during the course of the administration; (iii) updated the website to  
20 provide information and documents about the Settlement; (iv) caused the Summary Settlement  
21 Notice to be published; (v) provided, upon request, additional copies of the Settlement Notice  
22 Packet to potential Class Members, brokers, and other nominees; and (vi) received and processed  
23 each Claim Form received by the Claims Administrator (a “Claim”).

24  
25  
26 <sup>1</sup> All terms with initial capitalization not otherwise defined herein shall have the meanings  
27 ascribed to them in the Stipulation and Agreement of Settlement dated as of June 8, 2021 (Dkt.  
28 No. 394-1) (“Stipulation”). The Settlement is contained in the Stipulation.

1 questions and the answers thereto known as Frequently Asked Questions or “FAQs,” loading key  
2 documents onto the website, and programming the website to permit the viewing and downloading  
3 of those documents.

4 7. In accordance with paragraph 4(c) of the Preliminary Approval Order, A.B. Data  
5 caused the Summary Settlement Notice to be published in *The Financial Times* on October 5,  
6 2021, and published in *The Wall Street Journal* and released via *PR Newswire* on October 8, 2021.

7 Mailing Decl. ¶ 6.

### 8 **PROCEDURES FOLLOWED IN PROCESSING CLAIMS**

9 8. Under the terms of the Preliminary Approval Order and as set forth in the  
10 Settlement Notice, each Class Member who wished to be eligible to receive a distribution from the  
11 Net Settlement Fund was required to complete and submit to A.B. Data a properly executed Claim  
12 Form postmarked no later than March 10, 2022, together with adequate supporting documentation  
13 for the transactions and holdings reported in the Claim Form. Through July 11, 2022, A.B. Data  
14 has received and fully processed 81,437 Claims (the “Presented Claims”).

15 9. In preparation for receiving and processing Claims, A.B. Data: (i) conferred with  
16 Lead Counsel to define the guidelines for processing Claims; (ii) created a unique database to store  
17 Claim details, images of Claims, and supporting documentation (the “Settlement Database”);  
18 (iii) trained staff in the specifics of the Settlement so that Claims would be properly processed;  
19 (iv) formulated a system so that telephone and email inquiries would be properly responded to;  
20 (v) developed various computer programs and screens for entry of Class Members’ identifying  
21 information and their transactional information; and (vi) developed a proprietary “calculation  
22 module” that would calculate Recognized Claims pursuant to the Court-approved Plan of  
23 Allocation for the Net Settlement Fund stated in the Settlement Notice.

24 10. Class Members seeking to share in the Net Settlement Fund were directed in the  
25 Settlement Notice to submit their Claims to a post office box address specifically designated for  
26 the Settlement. Settlement Notice Packets returned by the United States Postal Service as  
27 undeliverable were reviewed for updated addresses and, where available, updated addresses were  
28

1 entered into the database and Settlement Notice Packets were mailed to the updated addresses. Any  
2 correspondence received at the post office box was reviewed and, when necessary, appropriate  
3 responses were provided to the senders.

#### 4 **PROCESSING CLAIMS**

##### 5 **A. Paper Claims and Claim Forms Submitted Via the Settlement Website**

6 11. Of the 81,437 Presented Claims, 2,129 are Claims that were submitted either on  
7 paper (1,151) or via the online filing component of the website provided for individual investors  
8 (978). Once received, paper Claims were opened and prepared for scanning. This process included  
9 unfolding documents, removing staples, copying nonconforming-sized documents, and sorting  
10 documents. This manual task of preparing the paper Claims is very laborious and time intensive.  
11 Once prepared, paper Claims were scanned into the Settlement Database together with all  
12 submitted documentation. Subsequently, each Claim was assigned a unique Claim number. Once  
13 scanned, the information from each Claim Form, including the Claimant's name, address, and  
14 account number/information from the supporting documentation, and the Claimant's  
15 purchase/acquisition transactions, sale transactions, and holdings listed on the Claim Form, was  
16 entered into the Settlement Database. Once entered into the Settlement Database, each Claim was  
17 reviewed to verify that all required information had been provided. The documentation provided  
18 by the Claimant in support of the Claim was reviewed for authenticity and compared to the  
19 information provided in the Claim to verify the Claimant's identity and the purchase/acquisition  
20 transactions, sale transactions, and holdings listed on the Claim Form.

21 12. To process the transactions detailed in the Claims, A.B. Data utilized internal codes  
22 ("flags") to identify and classify deficiency or ineligibility conditions existing within those Claims.  
23 Appropriate flags were assigned to the Claims as they were processed. For example, where a  
24 Claim was submitted by a Claimant who did not have any eligible transactions in Symantec  
25 common stock during the Class Period (*e.g.*, the Claimant purchased Symantec common stock only  
26 before or after the Class Period), that Claim would receive a flag that denoted ineligibility. Similar  
27 defect flags were used to denote other ineligible conditions, such as duplicate Claims. These flags  
28

1 would indicate to A.B. Data that the Claimant was not eligible to receive any payment from the  
2 Net Settlement Fund with respect to that Claim unless the deficiency was cured in its entirety.

3 Examples of conditions of ineligibility are as follows:

4 MIDOC Inadequate or Missing Documentation for Entire Claim

5 DUPCL Duplicate Claim

6 NOPUR No Eligible Purchase during the Class Period

7 MISIG No Signature

8 NOLOS No Recognized Claim

9 13. Because a Claim may be deficient only in part, but otherwise acceptable, A.B. Data  
10 utilized flags that were applied only to specific transactions within a Claim. For example, if a  
11 Claimant submitted a Claim with supporting documentation for all but one purchase transaction,  
12 that one transaction would receive a defect flag. The flag indicated that although the transaction  
13 was deficient, the Claim was otherwise eligible for payment if other transactions in the Claim  
14 calculated to a Recognized Claim according to the Court-approved Plan of Allocation. Thus, even  
15 if the deficiency were never cured, the Claim could still be partially accepted. Examples of  
16 transaction-specific flags are as follows:

17 TDOC Missing or Inadequate Documentation for Specific Transaction

18 INEL Ineligible Transaction

19 TRN Transfer In/Free Receipt

20 **B. Electronic Claims**

21 14. Of the 81,437 Presented Claims, 79,308 were submitted electronically (“Electronic  
22 Claims”). Electronic Claims are typically submitted by institutional investors who may have  
23 hundreds or thousands of transactions during the Class Period or by filers submitting Claims on  
24 behalf of multiple beneficial owners (“Electronic Claim Filers” or “E-Claim Filers”). Rather than  
25 provide reams of paper requiring data entry, the E-Claim Filers either mail a computer disc or  
26 electronically submit a file to A.B. Data so that A.B. Data can upload all transactions to the  
27 Settlement Database.

1           15.     A.B. Data maintains an Electronic Claim Filing Team (“ECF Team”) to coordinate  
2 and supervise the receipt and handling of all Electronic Claims. In this case, the ECF Team  
3 reviewed and analyzed each electronic file to ensure that it was formatted in accordance with A.B.  
4 Data’s required format and to identify any potential data issues or inconsistencies within the file. If  
5 any issues or inconsistencies arose, A.B. Data notified the filer. If the electronic file was deemed to  
6 be in an acceptable format, it was then loaded into the Settlement Database.

7           16.     Once each electronic file was loaded, the Electronic Claims were flagged to denote  
8 any deficient or ineligible conditions that existed within them. These flags are similar to those  
9 applied to paper Claims. In lieu of manually applying flags, the ECF Team performed  
10 programmatic reviews on Electronic Claims to identify deficient and ineligible conditions (such as,  
11 but not limited to, price out-of-range issues, out-of-balance conditions, transactions outside the  
12 Class Period, etc.). The output was thoroughly verified and confirmed as accurate.

13           17.     The review process also included flagging any Electronic Claims that were not  
14 accompanied by a signed Claim Form, which serves as a “Master Proof of Claim Form” for all  
15 Claims referenced on the electronic file submitted. This process was reviewed by A.B. Data’s ECF  
16 Team and, when appropriate, A.B. Data contacted the E-Claim Filers whose submissions were  
17 missing information. This ensured that only fully completed Claims, submitted by properly  
18 authorized representatives of the Claimants, were considered eligible to participate in the  
19 Settlement.

20           18.     Finally, at the end of the process, A.B. Data performed various targeted reviews of  
21 Electronic Claims. Specifically, A.B. Data used criteria such as the calculated Recognized Claims  
22 and other identified criteria to flag and reach out to a selection of E-Claim Filers and request that  
23 various sample purchases, sales, and holdings selected by A.B. Data be documented by providing  
24 confirmation slips or other transaction-specific supporting documentation. These targeted reviews  
25 help to ensure that electronic data supplied by Claimants does not contain inaccurate information.  
26  
27  
28

1 **EXCLUDED PERSONS**

2 19. A.B. Data also reviewed all Claims to ensure that they were not submitted by or on  
3 behalf of “Excluded Persons” to the extent that the identities of such persons or entities were  
4 known to A.B. Data through the list of Defendants and other excluded persons and entities set forth  
5 in the Stipulation and the Settlement Notice and from the Claimants’ certifications on the Claim  
6 Forms. A.B. Data also reviewed all Claims against the list of persons who were excluded from the  
7 Class pursuant to request.

8 **THE DEFICIENCY PROCESS**

9 **A. Paper Claims and Online Claims**

10 20. Approximately 56% of the paper and online Claims, i.e., 1,184 of the 2,129 Claim  
11 Forms submitted either as paper Claims or via the website, were incomplete or had one or more  
12 defects or conditions of ineligibility, such as the Claim not being signed, not being properly  
13 documented, or indicating no eligible transactions in Symantec common stock during the Class  
14 Period. The “Deficiency Process,” which primarily involved mailing letters to Claimants and  
15 responding to communications from Claimants by email and/or telephone, was intended to assist  
16 Claimants in properly completing their otherwise deficient submissions so they could be eligible to  
17 participate in the Settlement.

18 21. When paper and online Claims were determined to be defective, a Notice of  
19 Rejection of Claim (“Deficiency Letter”) was sent to the Claimants describing the defect(s) in the  
20 Claims and what steps, if any, were necessary to cure the defect(s) in these Claims. The Deficiency  
21 Letter advised Claimants that submission of appropriate information and/or documentary evidence  
22 to complete the Claim had to be sent within twenty (20) days from the date of the Deficiency  
23 Letter or the Claim would be recommended for rejection to the extent that the deficiency or  
24 condition of ineligibility was not cured. The Deficiency Letter also advised Claimants of their right  
25 to contest these administrative determinations and that Claimants were required to submit written  
26 statements to A.B. Data requesting Court review of their Claims and setting forth the basis for such  
27 requests. A.B. Data sent a total of 1,184 Deficiency Letters to Claimants who submitted paper or  
28

1 online Claims that A.B. Data determined to be defective. Attached hereto as Exhibit A is an  
2 example of a Deficiency Letter.

3 22. Claimants' responses to Deficiency Letters were scanned into the Settlement  
4 Database and associated with the corresponding Claims. The responses were then carefully  
5 reviewed and evaluated by A.B. Data's team of processors. If a Claimant's response corrected the  
6 defect(s) in a Claim, A.B. Data manually updated the Settlement Database to reflect the changes in  
7 the status of the Claim.

8 **B. Electronic Claims**

9 23. For Electronic Claims, A.B. Data used the following process to contact the banks,  
10 brokers, nominees, and other Electronic Claim Filers to confirm receipt of their submissions and to  
11 notify the E-Claim Filers of any deficiencies or Electronic Claims that were ineligible. Each E-  
12 Claim Filer was sent an email to the email address included with the Claim Form(s) ("Status  
13 Email") with an attached Electronic Filer Status Spreadsheet, which contained detailed information  
14 associated with the Claim(s) and indicated which Claim(s) within the filing were deficient and/or  
15 rejected ("Status Spreadsheet").

- 16 24. The Status Email sent to the email address of record provided with the Claim Form:
- 17 (a) Notified the filer that any Claims with deficiencies not corrected within  
18 twenty (20) days from the date of the Status Email may be rejected;
  - 19 (b) Advised the filers of the right to contest the rejection of the Claim(s) and  
20 request this Court's review of A.B. Data's administrative determination  
21 within twenty (20) days from the date of the Status Email; and
  - 22 (c) Provided instructions on how to submit corrections.

23 25. The Status Spreadsheet attached to the Status Email contained the following  
24 information:

- 25 (a) A listing of all Electronic Claims associated with the filing and their unique  
26 identification numbers;

- 1 (b) Identification of individual Electronic Claims that were found to be deficient
- 2 or ineligible;
- 3 (c) Each Electronic Claim's current status in the Settlement Database; and
- 4 (d) The current Recognized Claim calculation associated with each Electronic
- 5 Claim.

6 26. A.B. Data emailed a Status Email and Status Spreadsheet(s) to 233 E-Claim Filers.  
7 Examples of a Status Email and Status Spreadsheet are attached hereto as Exhibits B and C,  
8 respectively.

9 27. The E-Claim Filers' responses were reviewed by A.B. Data's ECF Team, scanned  
10 and/or loaded into the Settlement Database, and associated with the corresponding Electronic  
11 Claims. If a response corrected the defect(s) or affected an Electronic Claim's status, A.B. Data  
12 manually and/or programmatically updated the database to reflect such change in status of the  
13 Electronic Claim.

14 **NO DISPUTED CLAIMS**

15 28. As noted above, Claimants were advised that they had the right to contest A.B.  
16 Data's administrative determination of deficiencies or ineligibility within twenty (20) days from  
17 the date of notification and that they could request that the dispute be submitted to the Court for  
18 review. More specifically, Claimants were advised in the Deficiency Letter or Status Email that, if  
19 they disputed A.B. Data's determination, they had to provide a statement of reasons indicating the  
20 grounds for contesting the determination, along with supporting documentation, and if the dispute  
21 concerning the Claim could not otherwise be resolved, Lead Counsel would thereafter present the  
22 request for review to the Court for a final determination.

23 29. A.B. Data received five (5) requests for Court review. To resolve these disputes  
24 without necessitating the Court's intervention, A.B. Data reached out to each Claimant requesting  
25 Court review in an attempt to answer all of the Claimant's questions; fully explain A.B. Data's  
26 administrative determination of the Claim's status; and, where applicable, facilitate the submission  
27 of missing information or documentation. As a result of these efforts, these five Claimants  
28

1 withdrew their requests for Court review. There are, therefore, no disputed Claims requiring Court  
2 review.

3 **LATE BUT OTHERWISE ELIGIBLE CLAIMS**

4 30. Of the 81,437 Presented Claims, 28,698 Claims were received or postmarked after  
5 March 10, 2022, the Claim submission deadline established by the Court. A.B. Data processed all  
6 late Claims received through July 11, 2022, and 13,224 Claims have been found to be otherwise  
7 eligible in whole or in part (the “Late But Otherwise Eligible Claims”). A.B. Data has not rejected  
8 any Claim received through July 11, 2022, solely based on its late submission, and A.B. Data  
9 believes no delay has resulted from the provisional acceptance of these Late But Otherwise  
10 Eligible Claims. To the extent they are eligible but for the fact that they were late, they are  
11 recommended for payment.

12 31. However, there must be a final cut-off date after which no more Claims will be  
13 accepted so that there may be a proportional allocation of the Net Settlement Fund and the  
14 distribution may be accomplished. Acceptance of additional Claims or responses received during  
15 the finalization of the administration and the preparation of this declaration would necessarily  
16 require a delay in the distribution. Accordingly, A.B. Data also respectfully requests that this Court  
17 order that no Claim received after July 11, 2022, or Claim cured or adjusted after July 11, 2022, be  
18 eligible for payment for any reason whatsoever subject only to the provision of paragraph 42(f) of  
19 the proposed distribution plan discussed below. If the Court adopts the proposed distribution plan,  
20 then, after Lead Counsel has determined that further distributions are not cost-effective and before  
21 any contribution of the residual funds to charity, if sufficient funds remain to warrant the  
22 processing of Claims received after July 11, 2022, these Claims will be processed and, if any  
23 would have been eligible if timely received, these Claimants may be paid their distribution  
24 amounts, to the extent permitted by the amount of remaining funds, on a *pro rata* basis that would  
25 bring them into parity with other Authorized Claimants who have cashed all their prior distribution  
26 checks. *See* ¶ 42(f) below. With respect to previously submitted Claims that are cured or adjusted  
27 after July 11, 2022, such Claims will be reevaluated upon receipt of the adjustment and, to the  
28

1 extent that they are found eligible for a distribution or additional distribution, they will be treated  
2 in the same manner as Claims received after July 11, 2022. However, should an adjustment result  
3 in a lower Recognized Claim amount, the Recognized Claim amount will be reduced accordingly  
4 prior to a distribution to that Claimant.

#### 5 QUALITY ASSURANCE

6 32. An integral part of the claims administration process is the Quality Assurance  
7 review. Throughout the administration process, A.B. Data's Quality Assurance Department worked  
8 to verify that Claims were processed properly by ensuring that information was entered correctly  
9 into the database, deficiency and/or rejection flags were assigned accurately, and deficiency and/or  
10 rejection notifications were sent appropriately. After all Claims were processed, deficiency and/or  
11 rejection notifications were sent, and Claimants' responses to the deficiency and/or rejection  
12 notifications were reviewed and processed, the supervisors and managers in A.B. Data's Quality  
13 Assurance Department performed additional Quality Assurance reviews. These final Quality  
14 Assurance reviews further ensured the correctness and completeness of all Claims processed prior  
15 to preparing this declaration and all A.B. Data's final documents in support of distribution of the  
16 Net Settlement Fund. As part of the Quality Assurance reviews, A.B. Data:

- 17 (a) Verified that all Claim Forms had signatures of authorized individuals;  
18 (b) Verified that true duplicate Claims were identified, verified, and rejected;  
19 (c) Verified that Tax Identification Numbers were provided, when applicable;  
20 (d) Verified that persons and entities excluded from the Class did not file Claims  
21 or their Claims were rejected upon review;  
22 (e) Performed a final Quality Assurance audit of Claims and all supporting  
23 documentation to ensure completeness of Claims;  
24 (f) Determined that all Claimants requiring deficiency and/or rejection  
25 notifications were sent such notification;  
26 (g) Performed an audit of deficient Claims;
- 27  
28

- 1 (h) Performed additional review of Claims with high Recognized Claim
- 2 amounts;
- 3 (i) Audited Claims that were designated invalid;
- 4 (j) Audited Claims with a Recognized Claim amount equal to zero;
- 5 (k) Performed other auditing based on Claims completion requirements and the
- 6 approved calculation specifications based on the Court-approved Plan of
- 7 Allocation; and
- 8 (l) Re-tested the accuracy of the Recognized Claim amount calculation
- 9 program.

10 33. As part of its due diligence in processing the Claims, A.B. Data conducted a  
11 Questionable Claim Filer search of all Claims submitted in connection with the Settlement. A.B.  
12 Data maintains a Questionable Claim Filer Database of known questionable filers, which contains  
13 names, addresses, and aliases of individuals or entities that have been investigated by government  
14 agencies for questionable claim filing, as well as names and contact information compiled from  
15 previous settlements administered by A.B. Data in which fraudulent claims were received. A.B.  
16 Data updates this Questionable Claim Filer Database on a regular basis. The Settlement Database  
17 was searched for all individuals identified in the Questionable Claim Filer Database. A.B. Data  
18 performs searches based on names, aliases, addresses, and city/zip codes. In addition, A.B. Data's  
19 claim processors are trained to identify any potentially inauthentic documentation when processing  
20 claims, including claims submitted by Claimants not previously captured in the Questionable  
21 Claim Filer Database. Processors are instructed to flag any questionable Claims and escalate them  
22 to management for review. A.B. Data's procedures did not identify any potentially fraudulent  
23 Claims necessitating further review and verification.

24 **RECOMMENDATIONS FOR APPROVAL AND REJECTION**

25 34. As noted above, the number of Presented Claims in this motion is 81,437.

26  
27  
28

1           **A. Timely Submitted and Valid Claims**

2           35. A total of 52,739 Claims were received or postmarked on or before March 10, 2022,  
3 the Court-approved Claim submission deadline, of which 17,311 Claims were determined by A.B.  
4 Data to be eligible to participate in the Settlement and are recommended for approval (“Timely  
5 Eligible Claims”). The total Recognized Claim amount for these Timely Eligible Claims is  
6 \$835,875,168.84, representing 301,732,237 damaged shares of Symantec common stock.

7           **B. Late But Otherwise Eligible Claims**

8           36. A total of 28,698 Claims were received or postmarked after March 10, 2022, the  
9 Court-approved Claim submission deadline, but received on or before July 11, 2022. Of those  
10 28,698 late Claims, 13,224 were determined by A.B. Data to be otherwise eligible and are  
11 recommended for approval (“Late But Otherwise Eligible Claims”). The total Recognized Claim  
12 amount for these Late But Otherwise Eligible Claims is \$121,898,117.86, representing 38,028,294  
13 damaged shares of Symantec common stock.

14           **C. Rejected Claims**

15           37. After the responses to Deficiency Letters and Status Emails were processed, a total  
16 of 50,902 Claims remain recommended for rejection by the Court (“Rejected Claims”) for the  
17 following reasons:

- 18           (a) 14,277 Claims did not result in a Recognized Claim;  
19           (b) 13,066 Claims had no purchase(s) of Symantec common stock during the  
20           Class Period;  
21           (c) 65 Claims had uncured conditions of ineligibility;  
22           (d) 23,489 Claims were duplicates or replaced; and  
23           (e) 5 Claims were withdrawn by the filer.

24           **D. Lists of All Presented Claims**

25           38. Attached hereto as Exhibits D through F are listings of all the Presented Claims:

- 26           (a) Exhibit D lists the Timely Eligible Claims and shows each Claimant’s  
27           Recognized Claim;  
28

1 (b) Exhibit E lists the Late But Otherwise Eligible Claims and shows each  
2 Claimant's Recognized Claim; and

3 (c) Exhibit F lists the Rejected Claims and the reasons for rejection.

4 **FEES AND DISBURSEMENTS**

5 39. A.B. Data agreed to be the Claims Administrator in exchange for payment of its  
6 fees and out-of-pocket expenses. Lead Counsel received reports on and invoices for the work A.B.  
7 Data performed with respect to the provision of notice and administration of the Settlement.  
8 Attached hereto as Exhibit G are copies of A.B. Data's invoices for its work performed on behalf  
9 of the Class as well as an estimate for the work that will be performed and the costs that will be  
10 incurred in connection with the initial distribution of the Net Settlement Fund. Should the estimate  
11 of fees and expenses to conduct the initial distribution of the Net Settlement Fund exceed the  
12 actual cost, the excess will be returned to the Net Settlement Fund and will be available for  
13 subsequent distribution to Authorized Claimants.

14 40. As set forth in these invoices, A.B. Data's total fees and expenses for this matter  
15 through June 30, 2022, are \$639,744.46, which includes \$110,487.35 in expenses incurred in  
16 connection with the dissemination of the Original Class Notice and \$529,257.11 in fees and  
17 expenses related to dissemination of the Settlement Notice and Claim Form, the publication of the  
18 Summary Settlement Notice, and the Settlement administration process. A.B. Data anticipates that  
19 its fees and expenses for the work performed in conjunction with the initial distribution of the Net  
20 Settlement Fund will be \$14,871.50. To date A.B. Data has not received any payment for these fees  
21 and expenses. Accordingly, there is an outstanding balance of \$654,615.96 payable to A.B. Data,  
22 which includes the estimate for completing the initial distribution. This amount does not include  
23 any fees and expenses incurred in connection with the dissemination of the Supplemental Class  
24 Notice, which have been paid by Lead Counsel.

25 41. The total amount sought by A.B. Data for Notice and Administration Costs,  
26 \$654,615.96, is higher than originally estimated and is the result of substantially more Claims  
27 being filed than we projected. A.B. Data's original estimate for Notice and Administration Costs,  
28

1 provided in July 2021, was based on an estimate that we would receive 32,600 Claims. This  
2 estimate was based upon an anticipated 20% claim filing rate, which is typical in cases of this  
3 nature. However, in response to the Settlement Notice, A.B. Data received over 81,000 Claims,  
4 which is nearly 50,000 more Claims than originally anticipated (or 250% of A.B. Data's original  
5 estimate). The substantially larger number of Claims received increased A.B. Data's total fees and  
6 expenses due to A.B. Data's per-claim processing fee and increases in various other costs that rise  
7 in proportion to the number of Claims received, such as the postage for confirmation postcards and  
8 deficiency letters mailed.

9 **DISTRIBUTION PLAN FOR THE NET SETTLEMENT FUND**

10 42. Should the Court concur with A.B. Data's determinations concerning the  
11 provisionally accepted and rejected Claims, including the Late But Otherwise Eligible Claims,  
12 A.B. Data recommends the following distribution plan (the "Distribution Plan"):

13 (a) A.B. Data will distribute 100% of the Net Settlement Fund, after deducting  
14 all payments approved by the Court, and after payment of any estimated taxes, the costs of  
15 preparing appropriate tax returns, and any escrow fees (the "Initial Distribution"), as follows:

16 (1) In accordance with the Court-approved Plan of Allocation, A.B. Data  
17 will calculate each Authorized Claimant's *pro rata* share of the Net Settlement Fund based on the  
18 amount of the Authorized Claimant's Recognized Claim in comparison to the total Recognized  
19 Claims of all Authorized Claimants. Settlement Notice ¶ 71.

20 (2) A.B. Data will, pursuant to the terms of the Plan of Allocation,  
21 eliminate from the Initial Distribution any Authorized Claimant whose *pro rata* share calculates to  
22 less than \$10.00. *Id.* ¶ 72. These Claimants will not receive any payment from the Net Settlement  
23 Fund and will be so notified by A.B. Data.

24 (3) After eliminating Claimants who would have received less than  
25 \$10.00, A.B. Data will recalculate the *pro rata* share of the Net Settlement Fund for Authorized  
26 Claimants who would have received \$10.00 or more. A "Distribution Amount" will be calculated  
27 for each of these Authorized Claimants, which shall be the Authorized Claimant's Recognized  
28

1 Claim divided by the total Recognized Claims of all Authorized Claimants who would have  
2 received \$10.00 or more, multiplied by the total amount in the Net Settlement Fund. *Id.* ¶ 71.

3 (b) To encourage Authorized Claimants to deposit their payments promptly, all  
4 distribution checks will bear a notation: “CASH PROMPTLY. VOID AND SUBJECT TO  
5 REDISTRIBUTION IF NOT CASHED BY [DATE 90 DAYS AFTER ISSUE DATE].” For  
6 Authorized Claimants whose checks are returned as undeliverable, A.B. Data will endeavor to  
7 locate new addresses through reasonable methods, including processing undeliverable checks  
8 through an address trace service and contacting Claimants via email and/or by telephone. Where a  
9 new address is located, A.B. Data will update the Settlement Database accordingly and reissue a  
10 distribution check to the Authorized Claimant at the new address. In the event a distribution check  
11 is lost or damaged or otherwise requires reissuance, A.B. Data will issue replacements.  
12 Distribution reissues will be undertaken only upon written instructions from the Authorized  
13 Claimant, provided that the Authorized Claimant returns the previous check where appropriate. For  
14 all checks, A.B. Data will void the initial payment prior to reissuing a payment. In order not to  
15 delay further distributions to Authorized Claimants who have timely cashed their checks, A.B.  
16 Data’s outreach program shall end 30 days after the initial void date. Authorized Claimants will be  
17 informed that, if they do not cash their Initial Distribution checks within 90 days of the mail date,  
18 or they do not cash check reissues within 30 days of the mailing of such reissued check, their  
19 check will lapse, their entitlement to recovery will be irrevocably forfeited, and the funds will be  
20 reallocated to other Authorized Claimants. Reissue requests for lost or damaged checks will be  
21 granted after the void date on the checks as long as the request for the reissue is received no later  
22 than 45 days prior to the next planned distribution. Requests for reissued checks in connection with  
23 any subsequent distributions (should such distributions occur) will be handled in the same manner.

24 (c) Authorized Claimants who do not cash their Initial Distribution checks  
25 within the time allotted or on the conditions set forth above will irrevocably forfeit all recovery  
26 from the Settlement. The funds allocated to all such stale-dated checks will be available for  
27 distribution to other Authorized Claimants, if Lead Counsel, in consultation with A.B. Data,  
28

1 determines that it is cost-effective to conduct a second distribution. Similarly, Authorized  
2 Claimants who do not cash their second or subsequent distribution checks, should such  
3 distributions occur, within the time allotted or on the conditions set forth above will irrevocably  
4 forfeit any further recovery from the Net Settlement Fund.

5 (d) Consistent with the Court-approved Plan of Allocation, after A.B. Data has  
6 made reasonable and diligent efforts to have Authorized Claimants cash their Initial Distribution  
7 checks, which efforts shall consist of the follow-up efforts described above, but not earlier than  
8 seven (7) months after the Initial Distribution, A.B. Data will, if Lead Counsel, in consultation with  
9 A.B. Data, determines that it is cost-effective to do so, conduct a second distribution of the Net  
10 Settlement Fund (the “Second Distribution”). Settlement Notice ¶ 73. Any amounts remaining in  
11 the Net Settlement Fund after the Initial Distribution, including the funds allocated for all void  
12 stale-dated checks, after deducting A.B. Data’s unpaid fees and expenses incurred in connection  
13 with administering the Settlement, including A.B. Data’s estimated costs of the Second  
14 Distribution, and after deducting the payment of any estimated taxes, the costs of preparing  
15 appropriate tax returns, and any escrow fees, will be distributed to all Authorized Claimants in the  
16 Initial Distribution who cashed their distribution checks and who would receive at least \$10.00 in  
17 the Second Distribution based on their *pro rata* share of the remaining funds. *Id.* Additional  
18 distributions, after deduction of costs and expenses as described above and subject to the same  
19 conditions, may occur thereafter in six-month intervals until Lead Counsel, in consultation with  
20 A.B. Data, determines that further distribution is not cost-effective. *See id.*

21 (e) At such time as Lead Counsel, in consultation with A.B. Data, determines  
22 that further distribution of the funds remaining in the Net Settlement Fund is not cost-effective, if  
23 sufficient funds remain to warrant the processing of Claims received after July 11, 2022, those  
24 Claims will be processed, and any otherwise valid Claims received after July 11, 2022, as well as  
25 any earlier-received Claims for which an adjustment was received after July 11, 2022, that resulted  
26 in an increased Recognized Claim, will be paid in accordance with subparagraph (f) below. If any  
27 funds remain in the Net Settlement Fund after payment of these late or late-adjusted Claims, the  
28

1 remaining balance of the Net Settlement Fund, after payment of any unpaid fees or expenses  
2 incurred in connection with administering the Net Settlement Fund and after the payment of any  
3 estimated taxes, the costs of preparing appropriate tax returns, and any escrow fees, will be  
4 contributed to the Investor Protection Trust (“IPT”), a non-sectarian, not-for-profit 501(c)(3)  
5 organization. *See id.*

6 (f) No new Claims may be accepted after July 11, 2022, and no further  
7 adjustments to Claims received on or before July 11, 2022, that would result in an increased  
8 Recognized Claim may be made for any reason after July 11, 2022, subject to the following  
9 exception. If Claims are received or modified after July 11, 2022, that would have been eligible for  
10 payment or additional payment under the Plan of Allocation if timely received, then at the time that  
11 Lead Counsel, in consultation with A.B. Data, determines that an additional distribution is not cost-  
12 effective as provided in subparagraph (e) above, and after payment of any unpaid fees or expenses  
13 incurred in connection with administering the Net Settlement Fund and after deducting the  
14 payment of any estimated taxes, the costs of preparing appropriate tax returns, and any escrow  
15 fees, such Claimants, at the discretion of Lead Counsel and to the extent possible, may be paid the  
16 distribution amounts or additional distribution amounts on a *pro rata* basis that would bring them  
17 into parity with other Authorized Claimants who have cashed all their prior distribution checks.

18 (g) Unless otherwise ordered by the Court, A.B. Data may destroy the paper  
19 copies of the Claims and all supporting documentation one (1) year after the Initial Distribution,  
20 and one (1) year after all funds have been distributed may destroy the electronic copies of the  
21 same.

### 22 CONCLUSION

23 43. A.B. Data respectfully requests that the Court enter an Order approving its  
24 administrative determinations accepting and rejecting the Claims submitted herein and approving  
25 the proposed Distribution Plan. A.B. Data further respectfully submits that its unpaid fees and  
26 expenses, as reflected on the invoices attached hereto as Exhibit G, should be approved for  
27 payment from the Settlement Fund.  
28

**NOTICE OF REJECTION OF CLAIM**

**DATE:** May 06, 2022  
**RE:** *SYMANTEC SECURITIES LITIGATION*  
**CLAIM NUMBER:** 128999799  
**RESPONSE DEADLINE:** May 26, 2022

Dear Claimant:

We have processed the Proof of Claim and Release Form (“Claim Form”) that you submitted in connection with the Settlement achieved in the above-noted litigation. Your Claim, based on our review, is ineligible for a recovery for the reason(s) listed below. Please note that some reasons for ineligibility are curable. To resolve the identified curable condition(s) of ineligibility, please follow the instructions below.

In order for this Claim to be eligible, the identified curable conditions of ineligibility must be resolved, and the Claim must then calculate to a Recognized Claim under the Court-approved Plan of Allocation. Please include a copy of this notice with your response. If you fail to respond by the response deadline printed above or if your response fails to cure the condition(s) identified below, your Claim will be rejected in its entirety. Please note that this is the only notice you will receive with respect to this Claim.

**No “Recognized Claim” Pursuant to Court-Approved Plan of Allocation**

In accordance with the Court-approved Plan of Allocation set forth in the Settlement Notice (which was previously provided to you and is available for review on the Settlement website), we have determined that this Claim calculates to a “Recognized Claim” of zero and therefore is not eligible to receive any distribution from the Net Settlement Fund.

This is NOT a curable deficiency unless you had additional transactions in publicly traded Symantec common stock during the period from May 11, 2017, through August 2, 2018, inclusive, that are not reflected in your Claim. Please note, your Claim may also have other ineligible conditions listed in this notice. If the ineligible conditions listed in this notice are not cured, the Claim will not be recommended for approval and, therefore, will not be eligible to receive any recovery. If other ineligible conditions are resolved but the Claim still does not calculate to a Recognized Claim under the Plan of Allocation, the Claim will remain ineligible. Please note, as set forth in the Claim Form, purchases or acquisitions of Symantec common stock made during the period from August 3, 2018, through and including October 31, 2018, are not eligible to be included in the calculation

of the Recognized Claim.

**Claims that are not cured by the response deadline above will be rejected.** If you believe your Claim has been rejected in error, you may contact us for assistance and/or request Court review of our determination. To request Court review of your Claim, you must send us a signed written statement that (a) states your reason(s) for contesting the rejection of this Claim, along with any and all documentation supporting your argument(s); (b) specifically states that you “request that the Court review the rejection of this Claim”; and (c) include a copy of this notice, postmarked no later than the response deadline set forth above. If the dispute concerning your Claim cannot be resolved, you may request that your Claim be presented to the Court for review, which will include public filing of your Claim and supporting documentation with the Court. If your Disputed Claim is presented to the Court, your Claim Form and supporting documentation will be partially redacted to protect your privacy. Court review should only be sought if you disagree with our determination regarding this Claim.

If you have any questions about this notice or if you want to confirm the status of your Claim after you submit a response to this notice, please contact us at 800-949-0206 or email us at [info@SymantecSecuritiesLitigation.com](mailto:info@SymantecSecuritiesLitigation.com). Please reference the Claim number listed above in any communication. If you would like to view or download the Settlement Notice, which contains the Plan of Allocation, you may do so by visiting [www.SymantecSecuritiesLitigation.com](http://www.SymantecSecuritiesLitigation.com).

Very truly yours,

A.B. DATA, LTD.  
Claims Administrator

## Status Email

**From:** [help@abdataclassaction.com](mailto:help@abdataclassaction.com)

**To:**

**Subject:** Symantec Securities Litigation – Claim No.

Dear Electronic Filer:

Please see the attached spreadsheet containing the status of all accounts received with your electronic filing in regards to the Symantec Securities Litigation as of May 6, 2022.

The information contained in the attached spreadsheet serves as notification of all deficiencies and rejections for all accounts. The first tab of the spreadsheet contains the Deficiency Key, which provides detailed descriptions and resolutions for further assistance. The current status of all claims can be located on the Claim Summary tab in column H, titled Claim Status:

- A. Full: If you fail to respond within twenty (20) days after the date of this notice, or if your response fails to resolve the curable condition(s) identified on the attached file, your Claim will be rejected in its entirety.
- B. Partial: If you fail to respond within twenty (20) days after the date of this notice, or if your response fails to cure the condition(s) identified on the attached file, your Claim will be rejected to the extent that those condition(s) remain uncured.
- C. Accepted: Claim is currently in good standing.

Revisions must be received in the same format as the original file in accordance with the Electronic Claims Filing Guidelines for the case.

If you believe your Claim has been rejected in error, you may request Court review of the determination. To do so, you must - within twenty (20) days after the date of this notice - send us a signed written statement that (a) states your reasons for contesting the rejection of your Claim, along with any supporting documentation, and (b) specifically states that you **request that the Court review the rejection of this Claim**. If the dispute concerning your Claim cannot be resolved, your Claim will be presented to the Court for review, which may include public filing of your Claim and supporting documentation with the Court (with financial account numbers and certain other information redacted). Please note: Court review should only be sought if you disagree with our determination about this Claim. If the dispute concerning your Claim cannot be resolved, your Claim will be presented to the Court for review, which may include public filing of your Claim and supporting documentation with the Court (with financial account numbers and certain other information redacted). Please note: Court review should only be sought if you disagree with our determination about this Claim.

All responses should be sent to the address listed below, or emailed to [efiling@abdata.com](mailto:efiling@abdata.com). Please reference your claim number(s) in all correspondence. You may contact the Symantec Securities Litigation Helpline at 1-800-949-0206 with any inquiries.

The address for mailed responses via standard mail is:

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN FRANCISCO DIVISION

SEB INVESTMENT MANAGEMENT AB,  
individually and on behalf of all others  
similarly situated,

Plaintiffs,

v.

SYMANTEC CORPORATION and  
GREGORY S. CLARK,

Defendants.

Case No. 3:18-cv-02902-WHA

ECF CASE

[PROPOSED] ORDER APPROVING  
DISTRIBUTION PLAN

Dept.: Courtroom 12, 19th Floor  
Judge: Honorable William Alsup

Lead Plaintiff moved this Court for an order approving a distribution plan for the Net Settlement Fund in the above-captioned securities class action (the “Action”). Having reviewed and considered all the materials and arguments submitted in support of the motion, including Lead Plaintiff’s Unopposed Motion for Approval of Distribution Plan, and Memorandum of Points and Authorities in Support Thereof, and the Declaration of Eric J. Miller in Support of Lead Plaintiff’s Unopposed Motion for Approval of Distribution Plan (“Miller Declaration”),

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

1. This Order incorporates by reference the definitions in the Stipulation and Agreement of Settlement dated as of June 8, 2021 (Dkt. No. 394-1) (“Stipulation”), and the Miller Declaration, and all capitalized terms used in this Order shall have the same meanings as defined in the Stipulation and the Miller Declaration.

2. This Court has jurisdiction over the subject matter of the Action and over all parties to the Action, including all Class Members.

3. Lead Plaintiff’s plan for distribution of the Net Settlement Fund to Authorized Claimants is **APPROVED**. Accordingly:

(a) The administrative determinations of the Court-approved Claims Administrator, A.B. Data, Ltd.’s Class Action Administration Company (“A.B. Data”), to accept

1 the Timely Eligible Claims stated in Exhibit D to the Miller Declaration and the Late But  
2 Otherwise Eligible Claims stated in Exhibit E to the Miller Declaration are adopted.

3 (b) The Claims Administrator’s administrative determinations to reject the  
4 Rejected Claims, as stated in Exhibit F to the Miller Declaration, are adopted.

5 (c) A.B. Data is directed to distribute 100% of the Net Settlement Fund, after  
6 deducting all payments previously allowed, payments approved by this Order, and any estimated  
7 taxes, the costs of preparing appropriate tax returns, and any escrow fees, to Authorized  
8 Claimants who would receive at least \$10.00 based on their Recognized Claim in comparison to  
9 the total Recognized Claims of all Authorized Claimants, as further detailed in paragraph 42(a)  
10 of the Miller Declaration (the “Initial Distribution”). A.B. Data shall notify Authorized  
11 Claimants who do not satisfy the \$10.00 *de minimis* requirement that they will not be receiving  
12 any distribution from the proceeds of the Settlement.

13 (d) To encourage Authorized Claimants to cash their checks promptly, all  
14 distribution checks will bear the following notation: “CASH PROMPTLY. VOID AND  
15 SUBJECT TO REDISTRIBUTION IF NOT CASHED BY [DATE 90 DAYS AFTER ISSUE  
16 DATE].” Lead Counsel and A.B. Data are authorized to take appropriate action to locate and  
17 contact Authorized Claimants who have not cashed their checks within said time as detailed in  
18 paragraph 42(b) of the Miller Declaration.

19 (e) Authorized Claimants who do not cash their Initial Distribution checks  
20 within the time allotted or on the conditions stated in paragraph 42(b) of the Miller Declaration  
21 will irrevocably forfeit all recovery from the Settlement, and the funds allocated to these stale-  
22 dated checks will be available to be distributed to other Authorized Claimants, if Lead Counsel,  
23 in consultation with A.B. Data, determines that it is cost-effective to conduct a second  
24 distribution. Similarly, Authorized Claimants who do not cash their checks from a second or  
25 subsequent distribution, should such distributions occur, within the time allotted or on the

1 conditions stated in paragraph 42(b) of the Miller Declaration will irrevocably forfeit any further  
2 recovery from the Net Settlement Fund.

3 (f) After A.B. Data has made reasonable and diligent efforts to have  
4 Authorized Claimants cash their Initial Distribution checks (as provided in paragraph 42(b) of  
5 the Miller Declaration), but not earlier than seven (7) months after the Initial Distribution, A.B.  
6 Data will, if Lead Counsel, in consultation with A.B. Data, determines that it is cost-effective to  
7 do so, conduct a second distribution (the “Second Distribution”), in which any amount remaining  
8 in the Net Settlement Fund, after deducting any unpaid fees and expenses incurred, will be  
9 distributed to all Authorized Claimants who cashed their Initial Distribution check and are  
10 entitled to receive at least \$10.00 from the Second Distribution based on their *pro rata* share of  
11 the remaining funds. After the Second Distribution, if any funds remain in the Net Settlement  
12 Fund, and if cost-effective, subsequent distributions will take place at six-month intervals.

13 (g) When Lead Counsel, in consultation with A.B. Data, determines that  
14 further distribution of the funds remaining in the Net Settlement Fund is not cost-effective, if  
15 sufficient funds remain to warrant the processing of Claims received after July 11, 2022, those  
16 Claims will be processed, and any otherwise valid Claims received after July 11, 2022, as well  
17 as any earlier-received Claims for which an upward adjustment was received after July 11, 2022,  
18 will be paid in accordance with subparagraph (h) below. If any funds remain in the Net  
19 Settlement Fund after payment of these Claims and unpaid fees or expenses, the remaining funds  
20 will be contributed to the Investor Protection Trust.

21 (h) No new Claims may be accepted after July 11, 2022, and no further  
22 adjustments to Claims received on or before July 11, 2022, that would result in an increased  
23 Recognized Claim amount may be made for any reason after July 11, 2022, subject to the  
24 following exception. If Claims are received or modified after July 11, 2022, that would have  
25 been eligible for payment or additional payment under the Court-approved Plan of Allocation if  
26 timely received, then, at the time that Lead Counsel, in consultation with A.B. Data, determines

1 a distribution is not cost-effective as provided in subparagraph (g) above, and after payment of  
2 any unpaid fees or expenses incurred in connection with administering the Net Settlement Fund  
3 and after deducting the payment of any estimated taxes, the costs of preparing appropriate tax  
4 returns, and any escrow fees, these Claimants, at the discretion of Lead Counsel and to the extent  
5 possible, may be paid their distribution amounts or additional distribution amounts on a *pro rata*  
6 basis that would bring them into parity with other Authorized Claimants who have cashed all  
7 their prior distribution checks.

8 4. The Court finds that the administration of the Settlement and the proposed  
9 distribution of the Net Settlement Fund comply with the terms of the Stipulation and Plan of  
10 Allocation approved by this Court and that all persons involved in the review, verification,  
11 calculation, tabulation, or any other aspect of the processing of the Claims submitted, or who are  
12 otherwise involved in the administration or taxation of the Settlement Fund or the Net Settlement  
13 Fund, are hereby released and discharged from any and all claims arising out of that involvement,  
14 and all Class Members and other Claimants, whether or not they receive payment from the Net  
15 Settlement Fund, are hereby barred from making any further claims against the Net Settlement  
16 Fund, Lead Plaintiff, Lead Counsel, the Claims Administrator, the Escrow Agent or any other  
17 agent retained by Lead Plaintiff or Lead Counsel in connection with the administration or  
18 taxation of the Settlement Fund or the Net Settlement Fund, or any other person released under  
19 the Settlement beyond the amounts allocated to Authorized Claimants.

20 5. All of A.B. Data's fees and expenses incurred in the administration of the  
21 Settlement and estimated to be incurred in connection with the Initial Distribution of the Net  
22 Settlement Fund as stated in the invoices attached as Exhibit G to the Miller Declaration are  
23 approved, and Lead Counsel is directed to pay the outstanding balance of \$654,615.96 out of the  
24 Settlement Fund to A.B. Data.

6. Unless otherwise ordered by the Court, A.B. Data may destroy the paper copies of the Claims and all supporting documentation one year after the Initial Distribution, and one year after all funds have been distributed may destroy the electronic copies of the same.

7. This Court retains jurisdiction to consider any further applications concerning the administration of the Settlement, and any other and further relief that this Court deems appropriate.

SO ORDERED this \_\_\_\_\_ day of \_\_\_\_\_ 2022.

\_\_\_\_\_  
The Honorable William Alsup  
Senior United States District Judge
